

Nursery Manager

Background information

BACKGROUND

The Peterborough School is an independent school with nursery for boys and girls from 6 weeks to 18 years. It is a Church of England school owned by the Woodard Corporation, known as Woodard Schools, the largest group of Church Schools in England and Wales. The Peterborough School is led by its own board of governors known as the School Council.

The School was founded in 1895, as a girls' school and from September 2010 the School expanded to allow the admission of boys into Years 7 and 12, becoming the City's only independent co-educational school for pupils aged 4 to 18. To reflect this change the School's name was changed to 'The Peterborough School'. The School ceased to offer boarding places from September 2013, to allow the boarding house to be converted into classrooms for day pupils, which is now completed. The School's new Sports Facility, including fitness suite, climbing wall and state-of-the-art sports hall marked a significant investment in the advancement of sport at The Peterborough School. In 2002, a Nursery was opened in the grounds of the school. The two-storey house has been adapted to cater for the Early Years Foundation Stage children, between the ages of six weeks and four years. It also includes various outdoor areas. The Nursery is open all year, excluding Bank Holidays, from 7.30am until 6.30pm. Reception children are educated in the main school building
